

Here in Washington State the WSPRA hosts a full schedule of smallbore and precision air rifle competition. Whether you live east of the Cascades or west, open or junior, position or prone, indoor or outdoor, smallbore or air rifle, USA Shooting or NRA, we have matches at locations near you.

We work very hard to provide outstanding programs for our juniors and are proud of their accomplishments. Several shooters coming out of Washington State currently compete on NCAA rifle teams or are members of the USA Shooting rifle team. But adult competitors shouldn't despair. We put on many open matches as well, where you will get to compete shoulder to shoulder with our juniors.

We hope you will enjoy, bookmark, subscribe to, and most of all use this website. My name is Alan Carey and I'm responsible for maintaining this web-site. If you have any comments or corrections, please contact me via the forum or at alcarey@w-link.net. I'm always looking for links to articles to add to the "Good News" web link section, please forward those onto me and I will get them posted.

Thank You

Alan Carey
